

Toddler April Newsletter

This Month

Spring has officially arrived, and we're excited to welcome April with open arms! This month brings longer days, blooming flowers, and so many opportunities for our little ones to learn and explore. We'll be celebrating Earth Day, discovering the beauty of nature, and engaging in hands-on activities that foster curiosity, creativity, and growth. It's incredible to see how much each child has blossomed, and we truly appreciate your ongoing support in making every day a joyful and enriching experience.

Here's a look at what's coming up this month!

Language: We will be doing alphabets d, e, f with their phonetic sounds.

Math: Recognizing and reviewing numbers 1,2,3.

Geography: We will be learning about our beautiful Planet Earth.

Science: We will be learning through different science activities/experiments. Learning about plant growth, rainbows, and simple weather experiments.

Clothing

Please be aware that we are still going outside. Please make sure that your children have appropriate attire for the outdoors. In addition, please check to see that extra clothes are the correct size and weather appropriate.

Note: This is a NUT FREE school. Please refrain from sending in nuts (any kind of nuts) to school with your child, remember their safety comes first.

Acknowledgment

We want to thank all of you for sharing your children with us this year. Please continue to help your child/children with lessons taught at school, as repetition is the key to success! "Repetition is the secret of perfection!" Maria Montessori.
