

Toddler March Newsletter

This Month

Spring is almost here, and we are excited to welcome the month of March with new adventures, learning experiences, and fun-filled activities! As the season changes, we look forward to watching our little learners grow and explore the world around them. March brings a wonderful mix of literacy, creativity, and hands-on discovery, making it a perfect time for new experiences and friendships to blossom. We would be exploring nature, weather changes and learn about plant growth from seed. St. Patrick's Day fun will include crafts, stories and a special treasure hunt.

We appreciate your continued support and involvement in making each day special for our preschoolers!

Language: We will be reviewing the alphabets a, b and c with their phonetic sounds. Listening to storytelling and Spring related vocabulary building.

Math: Recognizing and reviewing numbers 7,8 and 9. Focusing more on counting.

Geography: We will be learning about Planet Earth.

Science: We will be learning through different science activities/experiments. Planting seeds and observing growth.

Birthday(s)

Clothing

Please be aware that we are still going outside. Please make sure that your children have appropriate attire for the outdoors. In addition, please check to see that extra clothes are the correct size and weather appropriate. (All labeled with child's name to avoid losing those cute sweaters and jackets)

Note: This is a NUT FREE school. Please refrain from sending in nuts (any kind of nuts) to school with your child, remember their safety comes first.

Acknowledgment

We want to thank all of you for sharing your children with us this year. Please continue to help your child/children with lessons taught at school, as repetition is the key to success! "Repetition is the secret of perfection!" Maria Montessori.
