

Primary August Newsletter

This Month

As summer's warm breeze carries us into August, our primary classroom is buzzing with adventure and creativity! This month, budding paleontologists will don their detective hats as Dino Detectives, digging into fossil facts and prehistoric puzzles. Next, the rhythm of Music in Motion will fill our days, inspiring movement and melody through drums, scarves, and sing-alongs. Our imaginations will roar to life on a Jungle Safari, where we'll track colorful creatures and craft lush habitats. Finally, we'll shine a spotlight on Community Helpers, exploring the vital work of firefighters, nurses, and teachers through role-play and thank-you projects. Get ready for a month of exploration, expression, and heartfelt learning!
